

Class Descriptions

All classes will hold a final performance on the last day of class.

Act a Story: Learn about acting, characterization, and elements of being on stage through acting out a story. Children can bring in their favorite stories and beloved characters to life.

Acting: Whether you are brand new to acting or have some experience, this class will explore various acting methods and techniques. Unlock your expressive self and bring characters to life using proven procedures.

Audition Workshop: Enhance your auditioning skills. Develop an effective monolog and learn how to make a strong and memorable presentation when you are going for that role.

Circus Arts: Juggling, comedy, clowning, and pratfalls, come and get a taste of the Big Top. The Instructor is a graduate of Ringling Brothers, Barnum and Bailey Clown College in Florida. How cool is that?!

Mini-musical: Take a Broadway Musical and grab a song or two, some dances, and scenes to act out and learn to become a triple threat, which means you can sing, dance, and act.
